**Sheldon E. Ashton**

**July 4, 1946 - December 4,  
1988**

We, the Class of 1989 dedicate our yearbook to Mr. Sheldon Ashton. He was a dedicated teacher who always put his students first. He had a special knack for making English a very interesting subject. He kept his students captivated with hilarious stories and examples.

He had an ear for music and an ear for students. He was always willing to listen to anyone who had a problem. He never let on that he had any illness which made his death a terrible shock to the students of Case High School.

Mr. Ashton, who travelled to the beat of a different drum, was a special person to the Class of 1989 as well as to the thousands of other students who knew him. He will be deeply missed but we regard his passing from this world not as an extinguishing of a light but as a putting out of a lamp because the dawn has come.

Thank you for giving your entire teaching career to the students of Swansea.

John E. McCarthy  
Superintendent Of Schools

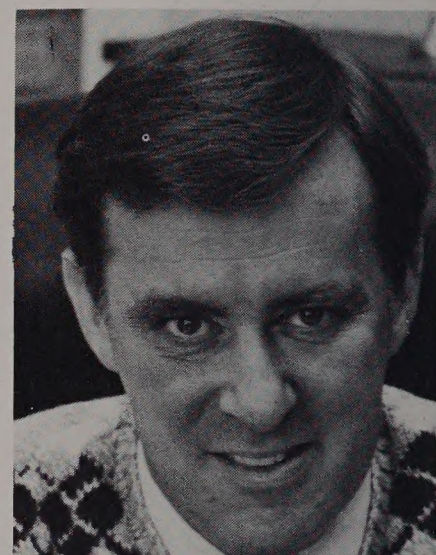

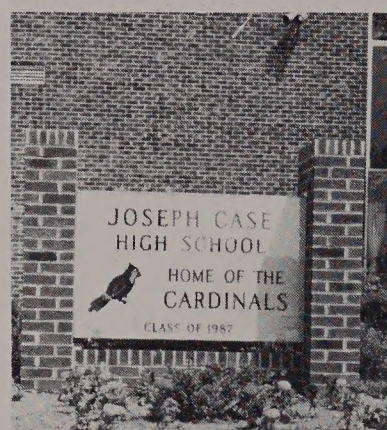

Congratulations to the class of 1989 on the occasion of your graduation. The reception of a diploma on commencement day signifies the successful completion of your elementary and secondary education. You should feel proud of this accomplishment and anxious to begin the next phase of development in the pursuit of a career and a place in society.

Your parents and community have made a significant investment in your future by providing you with a sound basic education. Not to be forgotten is the fact that you also have invested a great deal of time, effort, and study in attaining your diploma. However, graduation from high school should be viewed as a beginning not an end. You should continue investing in education as you select a career field and establish your future goals. The expectations of today's society dictate that education be a continuing process. Your future success will be influenced by many factors, not the least of which is the quality and level of education. I urge you to retain your commitment to education as you strive to establish your place in society.

I wish you success, health and happiness in future years.

Yours truly,

  
John E. McCarthy

### SOME THOUGHTS ON GRADUATION

by  
Harold G. Devine, Jr.  
Assistant Superintendent of  
Schools

What is it you remember  
As the years go sailing by?  
Will your school time be recalled  
And will you smile or, perhaps cry?

What will you all be doing  
In a time so far from here?  
The question keeps repeating  
As your high school end grows near.

You've spent four years at Case High School  
You've met all types and kinds.  
You've built some lasting friendships  
With the kind of love that binds.

Your teachers have prepared you  
With their wit and grace and style.  
To face the world with confidence  
In just a little while.

What is it you remember?  
These words ring loud and true.  
The things that you remember  
Are now a part of you.

My message to the senior class

Mr. David Jardin  
Principal

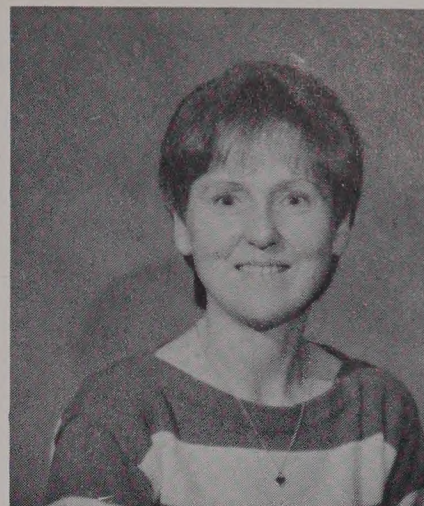

Dear Graduates;

The legendary old baseball pitcher, Satchel Paige, once said: "Don't look back; someone may be gaining on you". I would like to amend that advice somewhat. Don't be afraid to look back; but try to look ahead with the advantage of past experience. That, rather than to see whether anybody is gaining on you, is why man was designed to be able to turn around and look in any direction.

Above all, as you move on, remember that human attribute: the ability to turn around and look in any direction. Blinders are for horses, not for people. If education has any single goal, it is to encourage people to know how to ask questions and to know how to go about getting answers. It is not enough in life to be a listener, a passive member of the audience. It is not enough to look straight ahead and never look around. It is not enough to breathe a sigh and assume that your learning days are over. The lucky individual is the individual who never stops learning until he or she stops breathing.

Be such a person and your future will be a happy and prosperous one.

Principal

To The Class of 1989-

A few short years ago you entered Joseph Case High School in search of knowledge and the wisdom to become a success in your chosen educational or professional endeavors. I sincerely hope that we have provided you with the experiences necessary to obtain that success.

Please accept your new responsibilities with enthusiasm and dedication. I wish you the best of luck and God Bless.

### ALMA MATER

Our strong bond can ne'er be broken  
Form'd in dear Case High  
Far surpassing wealth unspoken  
Seal'd by friendship's tie

CHORUS: Alma Mater - Alma Mater  
Deep graven on each heart;  
Ode Victorious, we go singing  
As from these halls we depart

Memry's leaflet close shall twine  
Around our hearts for aye,  
And waft us back o'er life's broad track  
To pleasures of past day.

High school life at best is passing  
Gliding swiftly by;  
Then let us pledge in word and deed  
Our love for dear Case High.

-Ruth B. Eddy

# In Memoriam

The family and friends of Jamey Puccio would like to say that we love him deeply and miss him sadly. Those who knew Jay knew who he was and what he meant to his friends and to his family. Everyone knows Jay was a good person and we would love to have him here.

I'll miss him very much and I hope you keep his memory inside you and never forget Jamey, because I know I'll never forget the great brother he was.

## Third straight South title for Case

Case High's undefeated varsity volleyball team was scheduled to play at Waltham last night (Tuesday) for the Eastern Regional title after winning their third consecutive South Sectional title in Division II action. The Cards are looking for an unprecedented third straight state championship.

The Cards reached the finals by defeating league rival Fairhaven, 15-3, 15-13 and 15-3 last Wednesday at home in the semi-finals and then Notre Dame in a hard fought 8-15, 15-9, 15-8, 9-15, 15-3 South Sectional final played at Old Rochester Regional high.

Coach Christine Stanton's squad has been getting an outstanding team effort from the various role players sophomores Aimee Lecomte and Kathy Kelly guarding the middle has hitters and blockers, senior Tracy Howarth saving some of her best play for the tournament as a hitter, Mitch Fortin whose consistent serving has allowed the Cards to build early leads, Vicki Philibert who has become a fine setter and server with seniors Missy Aguiar and Kim Bros-

koskie adding more defense to the lineup.

In Wednesday's contest with Fairhaven, Fortin staked her team to a 9-0 lead in the first set as six of the nine shots were not returned and others were sent back on hits by Lecomte and Howarth.

Philibert served out the set at 15-3 as the Cards went out ahead in the best of five series.

### SECOND SET

After a Lecomte hit and a Philibert ace serve, the Blue Devils took a lead in the second set with three straight points and after the Cards had scored three more, Fairhaven went up 6-5 with consecutive points.

Two serves by Kathy Kelly put her team back ahead and then after the Blue Devils tied it 7-7, Philibert served four straight including one point on an impressive block by Lecomte.

Fairhaven battled all the way back to 14-13 before a Lecomte hit gave the serve back to Case and Philibert closed it out thanks to a hit by Howarth.

### THIRD SET

That was the closest Fairhaven would come as Case opened up another big lead on the serving of Fortin in the third set starting with an ace and having five of seven points unreturned. After the Blue Devils scored one to make it 7-1, Case came back on the serving of Philibert who aced her first and got three more, two on hits by Lecomte making it 11-1 before Fairhaven scored again.

Then Lecomte served and used a power jump serve similar to a spike and three straight sent over unreturned. Fortin finally closed out the scoring.

### WIN FINAL

The Cards then faced a powerful Notre Dame team which gave them all they could handle, winning the first and fourth sets to get into the final of a best of five series.

Case built up a 9-1 lead before Notre Dame knew what had hit them with Missy Aguiar adding four points to build the lead up to 13-3 before Kathy Kelly served out the set and the match. It was easily the most difficult contest Case had been involved in this year but was also a good tune up for the finals.

AIMEE LECOMTE dives to the floor to make a pass during Case High's straight set sweep over Fairhaven in the state tournament last Wednesday at Case. Aimee is known more for her hitting and blocking, but has shown she is also a standout on defense. (Bill Hall photo)

# Cardinals make history

## Third straight volleyball title

Case High's varsity volleyball team are written in the history books as the first team to capture three consecutive state volleyball titles after two tournament wins this past week. On Tuesday evening, coach Chris-

tine Stanton's squad swept by North champion Hamilton-Wenham, 15-6, 15-1, 15-9 at Waltham High and then on Friday evening topped the Western champion Medway in Mil-

ford, 15-11, 12-15, 15-6, 15-12 to cap-

### AWESOME SHOW

ture their third consecutive Division II state championship. "It was just an awesome night," said coach Stanton of Friday's title win, "we had about 400 spectators

from Swansea and there were another 400 or so there. The place was packed."

"Having those spectators there was a big boost to our team, they were so loud I had to use hand signals from the sidelines because my girls couldn't hear me," the coach said.

Medway was as strong an opponent as the Cardinals had seen, but still Case started out with a 15-11 win in the first set then fell flat and lost the second, 15-2.

"I just wanted that second game to end," coach Stanton said of the one sided set, "we weren't able to do anything right, we just didn't get into it, we were shell shocked."

### COMES BACK

But the team showed their mettle coming back in the third, 15-6 before going into what was to be the final set.

In the final, Medway had a 12-6 lead and only the fine serving of Kathy Kelly kept the team close at that point.

Then Missy Aguiar caught fire and served for points seven through 11 as the Cards made a dramatic comeback. Kelly came back to the service line through the rotation and served points 12-15 with Aimee Lecomte getting the final point smashing it home.

"The place went wild, everyone was so happy on our side," coach Stanton recalled, "they knew this was history and they were part of it. After the game each of the football players came up to me and congratulated us on such a fine season, it was a class act all the way. I was so impressed that they took the time to do that."

The football team also showed they could sing with a stirring rendition of the national anthem prior to the game at home against Fairhaven, when the taped anthem would not work.

### TEAM EFFORT

In the final against Medway, the Cardinals two sophomore hitters Kelly and Lecomte had nine kills each while Aguiar served 21 of 24 successfully.

During the Tuesday night game, Tracy Howarth had 10 kills and Mitch Fortin did an outstanding job hitting and played flawless defense.

Vicki Philibert was outstanding as the setter playing one of her best games in the finals.

The teams fourth senior, along with Howarth and co-captains Fortin and Aguiar, Kim Broskoskie also contributed to the victory.

great deal to do with this teams' success.

"I'm lucky to have such committed athletes, they work hard to attain this level," the coach noted, "they know the heritage we have here at Case and they want to continue carrying the banner."

"They go through some tough conditioning at the beginning of the season, and as Tracy Howarth said on the way back on the bus after beating Notre Dame in five sets, 'the conditioning really paid off'," the coach noted.

### FOLEY REMEMBERED

Coach Stanton noted that one player could not be present during the tourney, Carolyn Foley, who had been injured in an accident three weeks ago and is recuperating in a Boston hospital.

"She's part of the team, I've gone up to see her and she has read about the team. She was always with us," the coach continued.

The coach is savoring her 1988 championship, but already there is talk of four straight titles with Philibert, Foley, Kelly, Lecomte and sophomores Donna Mello, Michelle Silva and Louise Correia, all returning and others coming up from Robert Eddy's junior varsity squad.

"This year was the most pressure I have ever felt in a tournament," the coach of the 23-0 Cards said. "We had a young team but they proved they belonged with the other teams we have had."

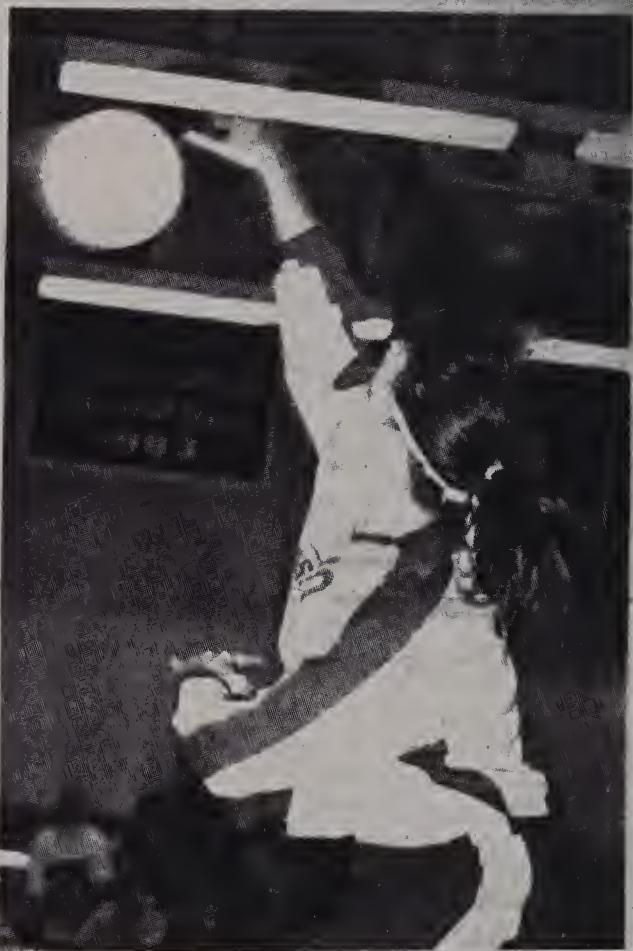

They were better than any opponent they faced this year.

# The 1989 Chief Yearbook Staff

CO-EDITORS

Anna Oste and Maryellen Vasconcellos

We thank all the people who helped to put this year's *Chief* together. A special thanks to Mr. O'Toole for proofreading all the copy as well as encouraging us to be original. A special "Thank you" also goes to Mr. Conforti for handling the finances and organizing the advertising staff

We would also like to thank *The Spectator* for their cooperating with photographs and to the faculty of Case High School, especially our first period teacher.

Most of all we wish to thank the yearbook staff who pulled together and got the job done. Without the many students who helped the yearbook would not exist.

Thank you all very much.

# The Works Hard For You.

We've built our reputation  
through service  
and going the extra mile.  
That kind of reputation  
is slow to come by.  
We've worked hard for it.

Your opinion of us will have  
everything to do  
with our future success.  
And we want  
to succeed.
